## YELLOWHEAD COMMUNITY SERVICES (YCS) COMMUNITY FEEDBACK SURVEY

YCS is interested in knowing the following: A) If you are aware of the services we provide (listed below); B) If you've ever accessed any of these services, and C) If you would return for service or recommend YCS to someone else if the need arose. If more than one person in your home would like to complete the survey, additional copies are available through one of our offices, or printed from our website (info on back). We encourage your comments to help us improve our services. Please check ✓ all that apply to you (or your dependents):
